

BRINGING HR KNOWLEDGE, EXPERTISE AND RESOURCES INTO FOCUS

CONSULTATIVE - BASED TOOLS & RESOURCES

Willis partners with HR to manage human capital risk - one individual at a time. Willis Employee Benefits Professionals around the country provide employers an extensive array of Consultative - Based Tools & Resources to compliment our Brokerage expertise. Several have just recently been launched!

Please take a moment to click on the link below, and participate in this month's HR Focus Survey. It is designed to gauge your experience, interest and overall awareness of the tools & resources available to you as a Willis client.

If you are not a client, participate in the survey anyway! It will give you an overview of the services Willis provides ranging from Compliance and HR Consulting to Turnkey Wellness Plans and Reward Programs! The survey consists of 4 questions and will only take a few minutes to complete. We value your feedback and thank you for participating!

Please note: This survey does not take the place of our Annual Client Satisfaction Survey.

To access the survey, click [here](#).
